ISSUE NO. 2. JULY 2014. NORTH/SOUTH

A Report to the Residents of Harris County Precinct One ... from Commissioner El Franco Lee

Street Olympics Summer Games kicks off its 28th year

Above left, Olympians anxiously await their turn during the Hula Hoop competition at the Harris County Street Olympics Final Event last year at NRG Arena. Right, opponents square off in the 3-on-3 Basketball Championship Tournament at Fonde Recreation Center.

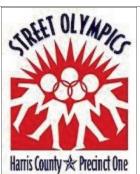

n June 13, the Harris Street Olympics, County Street Olympics' Summer Games kicked off its to 28th year of helping youth have programs a fun and productive school break.

"A 10-week summer represents the most vulnerable period of the year for a lot of young and people who don't have the luxury of vacations and camps," Harris County Commissioner El Franco Lee, Street Olympics founder, told youth agencies' representatives who provide the rounds of competition. "So you are a stopgap for those things."

The Summer Games was started in 1986 as part of the

which is designed implement provide training, support and resources that lead good health productive lives for Houstonarea youth.

The Summer Games now involves thousands of children competing at about 40 participating agencies' sites, including Summer Games preliminary Houston Parks and Recreation Department community centers, churches, Boys & Girls Clubs' sites, YMCAs and other summer youth programs.

The Summer Games is filled with recreational educational activibasketball tournament; lessons and a friendswim meet; a day-

Deussen and Challenger Seven Memorial parks to teach youth to inform them about the Sumabout nature and the environment; and an Olympic-style Final Event in August that in- youth specialist at the Clevevolves traditional "street games." Also at the Final Event will be a complementary Bright Futures Fair, an educational

opportunity for the young athletes to learn more about health, safety and careers.

"I would hope you underties that include a stand that small, incremental pieces of assistance ... that swimming seem to be really incidental might be the only way you can competitive reach a young person who may be in desperate need of help," long trip to Discovery Camp at Lee said to agency representatives at an April 11th luncheon mer Games.

Comments on current and future activities

Hurricane preparation

June marked the beginning of hurricane season. Since we live in the Gulf Coast area, it's important to know that safety starts with preparation. There are a number of resources that provide a hurricane preparation list, including the National Hurricane Center's website at www.nhc.noaa.gov. If you plan on riding out a storm, remember to get necessary supplies in advance such as gasoline for your vehicle, food, water, flashlights, batteries and radio. For those who prefer evacuation, please plan your routes and leave early to avoid traffic jams.

Mud Gully detention update

The Harris County Flood Control District is expected to on Phase I of the Mud Gully detention basin in the South Belt area. The work on the 168 -acre site along Beamer Road and South Hill Drive calls for excavating 500,000 cubic yards of soil materials. That will create a wet-bottom basin to maximize storage volume with a 6foot water depth to promote habitat and avoid stagnation. A with Galveston County. weir structure will be constructed to allow overbank storm Hardy Toll Road extention water to flow into the basin. acre feet of immediate storage town continues to move for- plete. volume during a flooding event and will allow for the reloca-

Hundreds of youth seek Easter goodies at egg hunts

lastic Easter eggs dotted the ball fields at Judson Robinson Sr. and El Franco Lee (EFL) parks on April 12th as hundreds of children waited patiently on the sidelines for permission to start the hunts.

The colorful eggs – filled with candy – were welcoming sights at the Annual Easter Egg Hunts sponsored by Precinct One Harris County Commissioner El Franco Lee, Precinct Two, Position One Justice of the Peace Jo Ann Delgado and Precinct Two Constable Chris Diaz. But even more appealing were the elusive golden eggs one for each hunting section that separated the children by age.

The golden egg finders – four at each park - received Easter baskets stuffed with

Above, youth seek Easter eggs at Robinson Park. Below, the search is on at EFL Park.

toys and goodies.

Amber Amaya, 10, was one of the lucky winners at EFL Park in the South Belt community.

"It was shocking and surprising," Amber said. "It's a nice Easter gift."

At Robinson Park, one winner, Jasmin Gonzalez, 7, said she was happy to find the golden egg and she enjoyed the event with her family.

Robinson Park was the site of the first Easter egg hunt. In addition to children from the Pleasantville community, youth also were bused in from Lincoln Park, Julia C. Hester House, Clinton Park and the NFL Youth Education Town at Finnigan Park.

Precinct One construction projects

Fitness Court

An outdoor fitness court with a canopy is being designed along the walking trail on South McGregor Way near Oakcrest Drive. The concrete pad will feature exercise equip-

ment and a water fountain.

T.C. Jester extension

Construction to extend **T.C.** Jester Boulevard for 1.25 miles from Spears Road to FM 1960 is expected to start in the last quarter of the year. The

work involves a four-lane, divided, concrete road with a traffic signal.

Lockwood improvements

Workers are expected to start a construction project in the last

quarter of this year to improve Lockwood Drive from North Lake Houston Parkway to the Union Pacific Railroad tracks. The 2-mile project calls for a four-lane, divided, concrete road with a traffic signal.
